ASMODEE USA TO DISTRIBUTE FUNKO GAMES' LIBRARY OF TITLES

Roseville, MN – *August 3, 2022.* Asmodee USA announced they have entered into a non-exclusive agreement to distribute Funko Games library of titles to their brick-and-mortar hobby and toy & gift retailers.

With nearly 20 years of experience, Funko Games offers a wide variety of titles for every level of gamer. The *Funkoverse* series offers a streamlined miniature gaming experience that allows players to pit their favorite characters from across a plethora of licenses against each other in multiple game modes that are easy to learn but offer a high level of strategic gameplay. Characters in the game are represented by high-quality POP vinyl figures made exclusively for each set and can be mixed with other Funkoverse games.

Additional titles include an array of board games based on popular licenses, such as *The Goonies*, *Godzilla*, *The Fast and The Furious*, and many more. These games include more traditional experiences aimed at hobby players, like the upcoming, highly anticipated legacy title *Jurassic World: The Legacy of Isla Nublar*, along with options for family and kids, like their *Pattern Party* and *Picture Pairing* lines with licenses including Disney Princesses, CoComelon, and Dr. Seuss. Funko also has players' next party night covered with several different games, including the recently announced *Ted Lasso Party Game* and *Parks and Recreation Party Game*.

"We are incredibly excited to work with Funko Games to give our brick-and-mortar customers access to their large library of games," said Steve Buckmaster, Interim Head of USA Distribution. "These titles are great additions to every shelf!"

"We're really thrilled to begin working with Asmodee as our newest distribution partner," said Deirdre Cross, General Manager at Funko Games. "Their heritage and expertise in distributing tabletop games will bring our library of games to new retailers, and also introduce Funko Games to new customers who'll be able to enjoy our game experiences based on their favorite entertainment and pop culture stories."

Funko Games' new and existing titles will be available from Asmodee USA in early 2023.
