ASMODEE USA TO DISTRIBUTE SELECT SPIN MASTER GAMES IN THE UNITED STATES OF AMERICA

Roseville, MN – *March 14, 2022.* Asmodee USA announces a non-exclusive agreement to distribute select games from Spin Master, a leading global children’s entertainment company, in the United States brick-and-mortar hobby and toy & gift retail markets. The games included in this deal are *Marvel Zombies*, *Marvel United*, *Marvel United: X-Men*, and *Disney Sidekicks*.

More heroic action awaits in both *Marvel United* and *Marvel United: X-Men*: in these fast-paced cooperative games, players take control of popular Marvel characters with custom decks of powers and abilities and band together as they go up against evil supervillains. Collaboration and careful planning are going to be needed if they want to save the world.

Iconic villains continue to be up to no good in *Disney Sidekicks*, a cooperative family friendly strategy game. In this game, big name Disney villains have managed to capture everyone’s favorite heroes and so it is up to their sidekicks to save them. Players take control of fan-favorites like Timon, Pumbaa and Tinkerbell while they work together to defeat the villains and save the heroes.

“We are looking forward to our retailers being able to stock all of these great games from Spin Master,” said Andre Kieren, head of USA Distribution. “The iconic licenses associated with these titles are sure to make them a popular choice amongst their new and existing customers.”

Spin Master’s games will be available to Asmodee USA’s brick-and-mortar stores later in 2022.
