ASMODEE & OFFICE DOG ANNOUNCE WORD TRAVELER GAME

Let us take you on a guided tour, Arriving Summer 2024

Roseville, MN – January 16, 2023 – Asmodee and Office Dog today announced *Word Traveler*, a cooperative word association party game themed around world travel. *Word Traveler* will make its print debut in April 2024.

Let your wanderlust guide you through four of the most-traveled cities in the world – London, Paris, Tokyo, and New York. Plan out your itinerary to hit all your bucket list items including iconic foods, exciting attractions, inspiring architecture, and more! With artwork craftily designed by artists passionate about each city, maps are unique and immersive, lending to their destination's greatest delights.

Word Traveler is a cooperative party game where players work together to use a limited set of words to guide other players through their ideal itinerary. Earn points for successfully reaching point of interest and collect souvenirs over two travel days (rounds). If your group collects all the city's souvenirs, you win! But worry not, even if you don't collect every souvenir, our play testers agreed that playing day after day just for the fun of it is equally, if not more, rewarding.

"I'm super excited to bring Word Traveler to the world. Thomas Dagenais-Lesperance has a way of designing games that get people loud, applauding, debating, and having a great time," says Bree Woodward, Office Dog Creative Director. "This game hits a lot of the high points for me: it's quick, beautiful, funny, feels great when you win and doesn't feel terrible when you lose, it has lots of hilarious debating, puzzly deduction, and who doesn't love having their own personal passport?"

About Office Dog

Office Dog is a gamer's best friend. Founded in 2022 as Asmodee North America's developmental studio, Office Dog works directly with community game designers and developers to bring fresh new titles to the Asmodee catalogue. With a passionate focus on the hobby market, Office Dog games aim to meet gamers where they are with relevant themes and engaging experiences.
