

## Gathering of the Wicked: an immersive Disney Villains party game

*You'll play as one of the greatest evil minds of all time. But in a world where everyone is wicked, who can you really trust?*

**Paris – August 04, 2021** - Asmodee Group today announced a Disney Villains version of the popular hidden role game *Werewolves of Millers Hollow*, titled "*Gathering of the Wicked*," combining one of the most famous party games with iconic Disney Villains characters. *Gathering of the Wicked* tasks players with embodying their favourite Disney Villains characters, such as Maleficent (Disney's *Sleeping Beauty*), Hades (Disney's *Hercules*) and Captain Hook (Disney's *Peter Pan*) and more.

In *Gathering of the Wicked*, Disney Villains and their Henchmen find themselves in a dark realm. There, the ultimate battle to determine which Disney Villain will reign supreme begins! Two teams fight for control alternating between day and night phases. Each night, the Villains wake up one by one and use their unique abilities to chase their objectives. Each day, the gathering debates and tries to unmask the traitors amongst them. But since no one knows which team other players are on, trusting each other will be tricky, and bluffing will be their best route to dominance within their new surroundings.

The game reinvents the traditional hidden role genre by creating new roles and specific powers for each Disney Villain character. While each role is known by the other players, every character also has a "secret alignment" that determines their objective - making it even trickier to know who to trust!

Famous among families, teens and young adults, **the original Werewolves of Millers Hollow** has experienced success all over the world, selling over two million copies in the last three years. **The game celebrates its 20<sup>th</sup> anniversary in 2021**, and there is no better way to mark the occasion than with a new Disney twist on this timeless game.

***Gathering of the Wicked* will hit shelves in October 2021.** With its beautiful illustrations and easy to understand gameplay, this game is sure to excite both friends and family!

*Age: 10+*

*Number of players: 6-12*

*Length of game: 30 minutes*
