## **ASMODEE USA TO DISTRIBUTE ENGLISH ROAD TO INFAMY GAMES CATALOG EXCLUSIVELY WORLDWIDE**

Roseville, MN – *March 14, 2022.* Asmodee USA announced they will be the exclusive worldwide distributor of Road to Infamy's catalog of games, including *Canvas*, a spatial puzzle game of creating art.

In *Canvas*, Players set out to win Best in Show at a prestigious art festival. Transparent cards allow players to creatively layer artistic elements like animals or everyday objects to create unique pieces of art. Every turn, players will choose to draw art cards that feature a portion of a painting or create a painting from the cards they have drawn. To create their painting, players pick three cards from their hand and pair them with a background card and sleeve. When placed over each other, the cards form a unique painting and name. Each player will create three pieces of art, and the player with the most points wins.

"*Canvas* is a beautiful game that offers a wonderful gameplay experience," said Andre Kieren, Head of USA Distribution. "The high-quality art and mechanics of Road to Infamy's catalog of games is a perfect addition to our library of distributed titles."

"We have always prided ourselves on making unique and accessible board games for families around the world. By joining the great Asmodee family, Road to Infamy will be able to expand our imprint on the hobby by benefiting from the knowledge, marketing, and distribution capacities of the Asmodee Group. Together we hope to bring even more fun and exciting games to a broad audience," stated Andrew Nerger, Owner of Road to Infamy.

*Canvas* will be available to Asmodee USA's customers beginning Q2 of 2022.
